PROXY STATEMENT

ANNUAL MEETING OF STOCKHOLDERS OF PAYCHEX, INC.

TO BE HELD ON OCTOBER 2, 2003

This Proxy Statement is being furnished to stockholders of Paychex, Inc. (“Paychex” or the “Company”) in connection with the solicitation of proxies by the Board of Directors (the “Board”) to be voted at the 2003 Annual Meeting of Stockholders. The Annual Meeting will be held on October 2, 2003 at 10:00 a.m. at the Rochester Riverside Convention Center, 123 East Main Street, Rochester, New York.

Stockholders Entitled to Vote:

The Board has fixed the close of business on August 4, 2003, as the record date for determining the holders of common stock entitled to notice of, and to vote at, the meeting. Stockholders will be entitled to one vote per share for each share of common stock held as of the record date.

How to Vote:

Your vote is very important and we hope that you will attend the Annual Meeting. However, whether or not you plan to attend the meeting, please vote by proxy in accordance with the instructions on your proxy card, voting instruction form (from your bank or broker), or that you received through electronic mail. There are three convenient ways of submitting your vote:

- **Voting by Internet** – You can vote via the Internet by visiting the Web site noted on your proxy card. Internet voting is available 24 hours a day. We encourage you to vote via the Internet, as it is the most cost-effective way to vote.
- **Voting by telephone** – You can also vote your shares by telephone by calling the toll-free telephone number indicated on your proxy card and following the voice prompt instructions. Telephone voting is available 24 hours a day.
- **Voting by mail** – If you choose to vote by mail, simply mark your proxy, date and sign it, and return it in the postage-paid envelope provided.

The deadline for Internet or telephone voting is 11:59 p.m. Eastern Time on September 30, 2003. If you vote by telephone or the Internet, you do not need to return your proxy card. Signing and returning the proxy card or submitting your proxy via the Internet or by telephone does not affect your right to vote in person if you attend the Annual Meeting and your shares are registered in your name. If your shares are held in the name of a bank, broker, or other holder of record, you must obtain a proxy, executed in your favor, from the holder of record to be able to vote at the meeting.

Revoking Your Proxy:

You can revoke your proxy at any time before it is voted at the meeting by either:

- Providing written notice of revocation to the Secretary of the Company;
- Submitting a later-dated proxy via the Internet, telephone, or mail; or
- Voting in person at the meeting.

General Information on Voting:

The Company had outstanding on August 4, 2003, the record date, 376,871,284 shares of common stock, each of which entitles the holder to one vote. A majority of the outstanding shares (188,435,643 shares) present in person or by proxy will constitute a quorum.

All shares that have been properly voted and not revoked will be voted at the meeting in accordance with the stockholder's directions. If the Proxy is received without choices having been specified, the shares will be voted **FOR** the eight nominees described in the following pages.

A plurality of votes cast is required for the election of Directors, meaning the nominees receiving the most votes will be elected. Only votes cast for nominees will be counted. You may choose to vote for a nominee or withhold your vote. Votes that are withheld will be excluded entirely from the vote and will have no effect. A broker non-vote will have no effect on the outcome of the election of Directors.

Voting by Participants in the Company's Employee Stock Ownership Plan Stock Fund:

If a stockholder is a participant in the Paychex, Inc. Employee Stock Ownership Plan Stock Fund (ESOP) of the Paychex, Inc. 401(k) Incentive Retirement Plan, the proxy card also will serve as a voting instruction for the Trustee of the ESOP where all accounts are registered in the same name. If shares of common stock in the ESOP are not voted, those shares will be voted by the Trustee in the same proportions as the shares properly voted by other participants in the ESOP. Voting by ESOP participants will close at 11:59 p.m. Eastern Time on September 28, 2003. Shares of common stock in the ESOP not voted by that deadline will then be voted by the Trustee.

Cost of Solicitation of Proxies:

The Company will pay the cost of solicitation of proxies. The Company will reimburse any banks, brokers and other custodians, nominees, and fiduciaries for their expenses in forwarding proxies and proxy solicitation material to the beneficial owners of the shares held by them.

Delivery of Proxy Materials and Annual Report:

The Notice of Annual Meeting, Proxy Statement, Proxy, and 2003 Annual Report are being mailed to stockholders on or about August 22, 2003. You may also obtain a copy of the Company's Annual Report on Form 10-K filed with the Securities and Exchange Commission, without charge, upon written request submitted to Paychex, Inc., c/o Secretary, 911 Panorama Trail South, Rochester, New York 14625-2396.

The Notice of Annual Meeting, Proxy Statement, and 2003 Annual Report are also available on the Company's Web site at www.paychex.com. Instead of receiving paper copies of the Annual Report and Proxy Statement in the mail, stockholders can elect to receive an e-mail, which will provide a link to these documents on the Internet. Opting to receive your proxy materials online saves the Company the cost of producing and mailing bulky documents. To give your consent to receive future documents via electronic delivery, please vote your proxy via the Internet and follow the instructions to register for electronic delivery.

REPORT OF THE AUDIT COMMITTEE

The Audit Committee of the Board of Directors oversees the Company's financial reporting process on behalf of the Board of Directors. Management has the primary responsibility for the financial statements and the reporting process, including the systems of internal controls. In fulfilling its oversight responsibilities, the Audit Committee reviewed the audited financial statements in the Fiscal Year 2003 Annual Report on Form 10-K with management including a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments, and the clarity of disclosures in the financial statements.

The Company's independent auditors, Ernst & Young LLP, are responsible for expressing an opinion on the conformity of the audited financial statements with accounting principles generally accepted in the United States. The Audit Committee reviewed with the independent auditors their judgments as to the quality, not just the acceptability, of the Company's accounting principles and such other matters as are required to be discussed with the Audit Committee under Generally Accepted Auditing Standards. In addition, the Audit Committee has discussed with the independent auditors the auditors' independence from management and the Company, including the matters in the written disclosures required by the Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees). The Audit Committee has also considered whether the independent auditor's provision of other non-audit services to the Company is compatible with the auditor's independence. The Audit Committee held seven meetings during fiscal 2003.

The Audit Committee discussed with the Company's internal auditors and independent auditors the overall scope and plans for their respective audits. The Audit Committee meets with the internal and independent auditors, with and without management present, to discuss the results of their examinations, their evaluations of the Company's internal controls, and the overall quality of the Company's financial reporting.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended and the Board of Directors approved that the audited financial statements be included in the Annual Report on Form 10-K for the year ended May 31, 2003 for filing with the Securities and Exchange Commission. The Audit Committee will recommend to the Board of Directors, who will approve, the selection of the Company's independent auditors.

The Audit Committee:

David J. S. Flaschen, *Chairman*
Betsy S. Atkins
G. Thomas Clark
Grant M. Inman

REPORT OF THE COMPENSATION COMMITTEE

The Compensation Committee of the Board of Directors is responsible for making recommendations with respect to officers' salaries and grants of stock options to the Company's employees. The Compensation Committee's recommendations are presented to the Board for discussion and decision.

The compensation for executive officers is designed to be competitive with companies of similar size and performance, reward exceptional individual performance, tie compensation to overall Company objectives, and align the interest of executive officers with the interests of the stockholders. The components of the compensation program are base salary, annual incentive bonus, and stock option awards under the Company's Stock Incentive Plan.

Base Salary and Annual Incentive Plan (Bonus)

Annual compensation is composed primarily of base salary and an annual incentive bonus. The salaries of the executive officers are determined based on their performance and comparisons with base salaries paid to executive officers having similar responsibilities in comparable companies. The Compensation Committee and the Board have instituted an Officer Incentive Program which provides for the executive officers the opportunity for annual cash bonuses of up to 50% of base salary based primarily on the Company's annual revenue and operating income growth. The purpose of this bonus plan is to make a significant component of the executive officers' annual compensation tied directly to overall Company financial performance.

Stock Incentive Plan

The Company's Stock Incentive Plan is designed to align executive officers' compensation with long-term performance of the Company's stock. Stock options are granted to executive officers, with the exception of Mr. Golisano, who receives no grants, in amounts based upon their individual performance. Stock options are granted at fair market value as of the date of the grant, and have a term of up to ten years. These options vest one-third each year commencing two years after the date of grant. Stock options provide incentive for the executive officers to create stockholder value over the long term.

Compensation of Chief Executive Officer

The Compensation Committee meets annually without the Chief Executive Officer to evaluate his performance and recommends to the Board the compensation to be paid to him. In performing that function, the Compensation Committee reviews the range and components of compensation paid to CEOs of other public companies. In particular, the Compensation Committee looks to those public companies whose size and performance are similar to those of Paychex, Inc.

Mr. Golisano's substantial stock position in the Company assures the Compensation Committee of his close identification with the interests of its stockholders. In view of his substantial stock position, Mr. Golisano has chosen not to receive any stock option grants. His compensation is reflective in part of the Compensation Committee's evaluation of the Company's performance in the areas of revenue, profitability, return on stockholders' equity, and other areas. Salary adjustments reflect the Compensation Committee's opinion of the impact, both short- and long-term, which Mr. Golisano's creativity, strategic focus, and leadership had on these and other factors.

Mr. Golisano's fiscal 2003 compensation increased approximately 46% compared with his compensation for fiscal 2002. Mr. Golisano earned a bonus of approximately 40% of his base salary for fiscal 2003. No bonus was earned in fiscal 2002. Mr. Golisano's bonus was determined based on the Officer Incentive Program described above. In fiscal 2003, Paychex exceeded \$1 billion in total revenues and achieved its thirteenth straight year of record revenues and net income. The Company's total revenues increased 15% and net income increased 7% in fiscal 2003 over the prior year's figures, while return on stockholders' equity was 29%.

Compensation of Other Executive Officers

The Compensation Committee sets compensation for executive officers other than the CEO after the CEO provides the Compensation Committee with his evaluation of the performance of each executive officer and his recommendation with respect to base salary, bonus, and stock options. Compensation Committee members discuss his recommendations in light of their own experiences and familiarity with levels and components of compensation for persons with similar responsibilities in other public companies. The goal of the Compensation Committee is to compensate fairly for the job done, to reward extraordinary performance or promise, and to encourage long-term identification with stockholder interest through the award of stock options under the Company's Stock Incentive Plan. Company performance is also considered.

Impact of Section 162(m) of the Internal Revenue Code

Section 162(m) of the Internal Revenue Code generally limits the tax deductibility of annual compensation paid to certain executive officers to \$1 million, unless specified requirements are met. The Compensation Committee has carefully considered the impact of this provision. At this time, it is the Compensation Committee's intention to continue to compensate all executive officers based on overall performance. The Compensation Committee expects that most compensation paid to executive officers will qualify as a tax-deductible expense. For fiscal 2003, the Compensation Committee authorized compensation slightly over \$1 million for Mr. Golisano. The Committee may in the future authorize compensation that is not deductible. The Stock Incentive Plan is designed to provide incentive compensation that will not count against the \$1 million limitation.

The Compensation Committee:

Joseph M. Tucci, *Chairman*
David J. S. Flaschen
Phillip Horsley
Grant M. Inman

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 requires Directors, officers, and beneficial owners of more than 10% of the Company's common stock to file with the Securities and Exchange Commission (SEC) reports of transactions in the stock. Based on information supplied to the Company and filings made with the SEC, the Company believes that during the fiscal year ended May 31, 2003, all Section 16(a) filing requirements applicable to its executive officers, Directors, and greater than ten percent beneficial owners were complied with, with the exception of delinquent filings by Ms. Atkins, who had five delinquent filings involving totals of 240 shares purchased and sold.

OPTION GRANTS IN LAST FISCAL YEAR

The following table sets forth stock options granted in fiscal 2003 to the Company's Chief Executive Officer and the Company's four other most highly compensated executive officers. The Company has chosen the 5%–10% formula approved by the SEC. However, the ultimate value will depend on the market value of the Company's stock at a future date, which may or may not correspond to the projections below.

Consistent with this function, the Audit Committee should encourage continuous improvement of, and should foster adherence to, the Company's policies, procedures, and practices at all levels. The Audit Committee's primary duties and responsibilities are to:

- Serve as an independent and objective party to monitor the Company's financial reporting process and internal control system.
- Review and appraise the audit efforts of the Company's independent accountants and Internal Audit Department.
- Provide an open avenue of communication among the independent accountants, financial and senior management, the Internal Audit Department, and the Board of Directors.

The Audit Committee has the authority to conduct any investigation appropriate to fulfilling its responsibilities, and it has direct access to the independent auditors as well as to anyone in the organization. The Audit Committee has the ability to retain, at the Company's expense, special legal, accounting, or other consultants or experts it deems necessary in the performance of its duties.

II. COMPOSITION

The Audit Committee shall be comprised of at least three directors who meet the independence and experience requirements of Nasdaq. The members shall be appointed by the Board. III. MEETINGS

The Committee shall meet at least six times annually and participation can be in person or telephonic. Four of the meetings will be held prior to the quarterly earnings releases and two general meetings will be held during the fiscal year. The Committee shall make regular reports to the Board. As part of its job to foster open communication, the Committee should ensure management, the manager of the Internal Audit Department and the independent accountants are present at these meetings. The Committee will complete each general meeting with the following exit protocol, the Committee will meet individually with the manager of the Internal Audit Department, and then with the independent accountants to discuss any matters that the Committee or each of these groups believes should be discussed privately. At the meetings held prior to the quarterly earnings releases, the exit protocol will be completed only if requested by either the Committee or the auditors. The independent accountants will have access to the full Board of Directors if the independent accountants determine it is necessary.

IV. RESPONSIBILITIES AND DUTIES

To fulfill its responsibilities and duties the Audit Committee shall:

1. Review and update this Charter at least annually and recommend any proposed changes to the full Board of Directors for their approval.
2. Review the Company's annual audited financial statements prior to filing or distribution. Discuss significant changes to the Company's accounting principles and any items required to be communicated by the independent auditors in accordance with auditing standards.
5. Recommend to the Board of Directors the selection of the independent accountants, which firm is ultimately accountable to the Audit Committee and the Board. Pre-approve the fees to be paid to the independent accountants. On an annual basis, the Committee should review and discuss with the accountants all significant relationships the accountants have with the Company to determine the accountants' independence consistent with Independence Standards Board Standard Number 1.
6. Review the performance of the independent accountants and approve any proposed discharge of the independent accountants when circumstances warrant.
7. Periodically consult with the independent accountants out of the presence of management about internal controls and the fullness and accuracy of the organization's financial statements.

9. Receive periodic reports regarding any significant judgments made in management's preparation of the financial statements and the appropriateness of such judgments.
10. Following completion of the annual audit, review separately with each of management, the independent accountants, and the Internal Audit Manager any significant difficulties encountered during the course of the audit, including any restrictions on the scope of work or access to required information. The Committee will provide management with a manually signed document approving the year end financial statements.
11. Review any significant disagreement among management and the independent accountants or the Internal Audit Department in connection with the preparation of the financial statements.
12. Review with the independent accountants, the Internal Audit Manager, and management the extent to which changes or improvements in financial or accounting practices, as approved by the Audit Committee, have been implemented.

14. Review activities, organizational structure, and qualifications of the Internal Audit Department.

16. Review, at least annually, report(s) from management concerning legal and regulatory matters that may have a material impact on the financial statements.

17. Establish procedures for the receipt, retention, and treatment of complaints received by the Company regarding accounting, internal accounting controls, or auditing matters, and for the confidential, anonymous submission by employees of concerns regarding questionable accounting or auditing matters.

18. The Manager of Internal Audit is required to annually document, in the form of a memorandum, the actions of the Audit Committee which indicate compliance with the Charter. This memo will be presented to the Audit Committee at the July Audit Committee Meeting.

While the Audit Committee has the responsibilities and powers set forth in this Charter, it is not the duty of the Audit Committee to plan or conduct audits or to determine that the Company's financial statements are complete and accurate and are in accordance with generally accepted accounting principles. This is the responsibility of management and the independent auditor. Nor is it the duty of the Audit Committee to conduct investigations, to resolve disagreements, if any, between management and the independent auditor, or to assure compliance with laws and regulations and the Company's code of ethics.
